'I've discovered a strength I didn't know I had. Sue and her team are amazing - they know just when to push and when to give you a pat on the back!'

Shirl, Boot Camp

'As a carer, this group has given me the confidence to know that I am doing the right things. I have met so many wonderful people from this group and we socialise outside the class and enjoy going on the walks. I have seen such a reduction of falls as my wife has improved her co-ordination through balance training with the group.'

Richard, Mossley Hill Class
